2. **No Exceptions:** This applies regardless of whether Tom was classified as Category I or not.
3. **Government Confirmation:** The Ministry of Labor confirmed this obligation.
4. **Binding Authority:** The Ministry of Labor has the authority to make this determination.

The Conservatory's Response:

The Conservatory's response to the Blue-Ink Letter: **NOTHING**

The Conservatory did not provide healthcare, did not provide health insurance, did not acknowledge the Ministry's statement, did not comply with the legal obligation, and continued to deny Tom healthcare.
